## **OPEN GYM:**

Bring the family on out to the BAS gym this Saturday night at 7:30 to expend some energy! There will be games and time to just hang out together. The Pathfinder Club will be selling concessions as a fundraiser for the International Camporee coming up this summer.

## **CHURCH CHOIR:**

It's time to start rehearsing for the Church Christmas Program! Whether or not you have experience singing in a choir, we invite you to join our enthusiastic group. Our first rehearsal is Sunday, September 17, from 4:00-6:00 in the sanctuary.

## **JAMIE JORGE CONCERT:**

I know many of you have heard Jamie Jorge perform in the past and know what a blessing his testimony and talent bring. When Jamie was ten years old his family was miraculously given the opportunity to leave communist Cuba. He has followed God's call to devote his life to full-time music ministry and since 1988 has played on 6 continents and in over 80 countries. We invite you to attend this concert on September 29<sup>th</sup> at 7pm and support Jamie's ministries.

#### **WOMEN'S MINISTRY EVENT:**

Despite all the social media platforms out there, I think women are finding themselves feeling more and more isolated and alone. How often do we actually get together, support each other, and focus on our own social and spiritual growth? Well, there's an opportunity to do just that on September 30<sup>th</sup> from 3:30 – 5:30pm in the Fellowship Hall! And I don't mean just for the "mature" (senior) women of our church, but for women of all ages and in all stages of life. We all need encouragement and can learn a great deal from each other. If childcare is an issue, please let us know, and we'll provide that. Oh, and feel free to bring a friend!

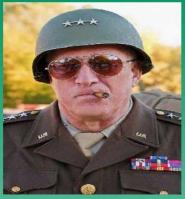

#### **VETERAN BIRTHDAY CELEBRATION:**

If you attended our Celebrate Freedom program on July 4th you got to meet 100 year old WWII Veteran, Buck Sloan. What a honor it was to meet one of the few remaining WWII veterans in our country! Bob Sparenberg asked me to share another opportunity to meet and celebrate one of these great patriots on September 17th. Check out the flyers below for all the details.

WW2 History 101

General Patton reenactment actor and speaker, Charles Vaner, has spent his life in the study and history of General George Patton. He has traveled across the cities of Europe where General Patton and his 3rd Army fought, conducting lectures.

He will join us on Sept. 17th from 4-6pm with our special guest, WW2 B-17 Navigator, Bill Kelly, who turned 103 this month.

This is history at its best only here only at Dillon Depot. Bring the family and meet these men of history and freedom! It may be short notice but at the age of our Greatest Generation we must take the opportunity to meet and thank them while we can!

Don't forget to bring a Birthday Card! See You Sunday!!

I guess that's it for this week. I know you're enjoying the break in the heat wave – Praise God! Have a blessed week, friends. ~ Liz ~

Any faith worth putting at the center of your life must do at least three things.

- 1. It must accurately describe the dark reality of our brokenness and pain.
- 2. It must fully tell how we are rescued from our anger, pride and violence.
- 3. It must show us a future we would want to live in.

And so the gospel of Jesus Christ declares, "Once you were dead because of your disobedience and your many sins."

That's why the Father acted to rescue us from the rebellion we had chosen: "God is so rich in mercy, and He loved us so much, that even though we were dead because of our sins, He gave us life when He raised Christ from the dead."

And finally, the Father offers us a future better than we ever imagined—or deserved: "For He raised us from the dead along with Christ and seated us with Him in the heavenly realms" (Eph 2:1; 2:4-5; 2:6).

Jesus says, "I will come back and take you to be with me that you also may be where I am" (John 14:3).

Grace is God's kindness fitted to the story of our lives. And this story never ends.

So stay in grace.

# **FUNNIES:**

- Bread is a lot like the sun. It rises in the Yeast and sets in the waist.
- What kind of bee can't make up its mind? A maybe!
- What did one fungi say to another fungi when they got married? "I want to grow mold with you."
- What did the horse say after it tripped? "Help! I've fallen and I can't giddyup!"
